

# Progress takes you

## **Graduate Intern (10-12 month Internship)**

At Dell Technologies, we are always looking for the next generation of innovative thinkers to drive our business forward. As an intern, you will have the opportunity to work on meaningful projects, partner with professionals across the globe while gaining knowledge about our business. At Dell, you are encouraged to be yourself, you will find a culture where differences are celebrated, and diverse ideas are heard and respected. Our mission is to enable the future generation of professionals to create strong networks, achieve critical experiences, and develop core skills that position you for career success.

Join us to do the best work of your career and make a profound social impact as a **Graduate Intern** on our **Growth Data (Customer Growth Marketing)** Team in **Bangalore**.

### **What you'll achieve**

#### **You will:**

- Perform tasks of varying complexity, requiring judgement with limited direct supervision
- Work on overflow tasks from various groups within the company
- Participate in special projects as needed

### **Take the first step towards your dream career**

Every Dell Technologies team member brings something unique to the table. Here's what we are looking for with this role:

#### **Essential Requirements**

- M.Tech with specialization in Data Science or AI
- Ongoing course work with relevant projects in Data Science and Data Engineering
- Python, SQL, Macro, Basic Programming
- Ability to prioritize and maintain organization in day-to-day activities
- Ability to follow process, policies and practices to achieve consistency and compliance
- Critical thinking and problem-solving skills

#### **Desirable Requirements**

- Ability to communicate well with senior level team members
- Collaboration skills
- Data management

### **Who we are**

We believe that each of us has the power to make an impact. That's why we put our team members at the center of everything we do. If you're looking for an opportunity to grow your career with some

of the best minds and most advanced tech in the industry, we're looking for you.

Dell Technologies is a unique family of businesses that helps individuals and organizations transform how they work, live and play. Join us to build a future that works for everyone because Progress Takes All of Us.

Dell Technologies is committed to the principle of equal employment opportunity for all employees and to providing employees with a work environment free of discrimination and harassment. Read the full Equal Employment Opportunity Policy [here](#).
